

# UAMB Student Uniform Care

**Uniform:** If you spill anything on your uniform do not attempt to rub off, seek a uniform coordinator to help clean stain. If you lose a button or break anything on your uniform please let a uniform coordinator know after the performance.

-**Mud:** Let completely dry, and then brush out gently – see uniform coordinator

## **Plumes:**

Keep plume dry at all times. Do not touch feathers use the brass base to hold or grip when placing plume on hat and removing from hat. Always place plume in the tube to store. DO NOT STORE WET/DAMP.

## **Hats:**

Your hat should never be on the ground, especial wet ground. DO NOT CLOSE LID IF WET/DAMP. The white top of hat, use either Soft Scrub Bleach or a Magic Eraser. These cleaners can be found in the uniform closet. Water and a brush to brush clean the rest. Hat box, we recommend placing a dryer sheet inside to keep fresh. If you need labels for hat and hat box they are available in uniform closet. Please remove old label first.

## **Spats:**

Soft Scrub Bleach or Magic Eraser works best. Find cleaning supplies in uniform closet. If you break a snap or elastic strap inform a uniform coordinator. DO NOT STORE WET/DAMP.

## **Gloves:**

Normal white laundry load, do not place in dryer. Lay flat to dry. Gloves *should be* washed every week. DO NOT STORE WET/DAMP.

**Suspenders:** Should be kept on the uniform pants throughout the season. Once the uniform season is finished they should be taken home or stored in hat box for next year.

-Make sure each item is marked with your name (do not use sharpies, bleeds through)
