Expectations Contract

Members of the Upper Arlington Band program have responsibilities that must be fulfilled in order to maintain the band's integrity. The band is a vital asset to the school and the community. Current members have an obligation to pay back to those who came before them and pay forward to those who will become members in the future. Members must understand the responsibility for only the best behavior that they automatically assume when they accept membership into the organization. A vital key to a successful organization is a positive attitude from its members. Members must cooperate with instructors and student leaders in order to insure the best possible experience for all. Those students who exhibit an unwillingness or inability to do so will be suspended or removed from the program. We carry ourselves with pride, class, and dignity 100% of the time.

As a participant in the Upper Arlington High School Band Program, the student agrees to:

- 1 Always maintain a courteous, respectful, and positive attitude.
- 2 Abstain from illegal activities, including the use of alcohol and illegal substances.
- 3 Abide by band and school rules
- 4 Abstain from behavior that is inappropriate or questionable.
- 5 Do my part - know my music, be at rehearsals, practice, and participate fully.
- 6 Do nothing that brings dishonor to the group.
- 7 Care for my instrument, my uniform, and equipment of the band and present them in a manner that shows pride in the organization.

Violation of this contract will result in temporary or permanent suspension from all band activities and may result in the student being sent home from the activity at his or her parents' expense.

I understand and agree to the above statement knowing that my failure to abide by this contract is grounds for disciplinary action in accordance to school rules and may be grounds for expulsion from the band program.
