

## UAMB Boosters February News

Mr Fessler announced that the band will travel to Orlando in March 2020! Details of the trip will be shared at the February 13th Boosters meeting. If your child is currently a freshman, sophomore or junior, you need to come to the meeting with your student to learn about this amazing opportunity. We are hopeful that 100% of the students will participate in the trip. We will offer a second informational meeting night for 8th grade families that may have scheduling conflicts on the 13th.

### February Boosters Meeting 2/13 7pm HASTINGS

Our February meeting will be in the **Hastings Auditorium**. We will have a short boosters meeting followed by a presentation from Bob Rogers travel regarding the Spring 2020 trip. [Minutes from the January meeting](#), are available for viewing on the band website. At the beginning of each booster meeting we vote on approving the minutes, all parents are members of the boosters and are able to vote at the meeting.

### Band Banquet was Awesome!

Thank you Amy Reed, Liz Sethi, all the parent volunteers and the students that helped with decorations and the video. We will have an encore showing of the video at the February meeting. Best of luck to all of our seniors in their final stretch at the HS and congratulations to the newly elected officers.

### Dates for Pep Band

The band is scheduled to perform at the boys basketball game on Tuesday 2/5.

### Fundraising News

A Payment Schedule for 2019/2020 Band fees will begin this spring. Here are some ways your student can fund raise to offset their fees, perhaps even cover 100% of the cost!

#### OSU Concession Stands

This is a personal fundraiser. You'll be able to sign up to work the concession stands at the Schottenstein Center for various events, including sporting events. You'll work with other Upper Arlington Band Booster parents and proceeds will go towards your student's personal account. Details are still being finalized.

#### Candy Bars

This is a personal fundraiser. This is 50% profit for your student. You buy each bar for a \$1 and sell them for \$1. Since we purchased them for 50 cents, for each bar you buy we'll credit your account 50 cents.

Email [kateozello@wowway.com](mailto:kateozello@wowway.com) to make arrangement to get candy bars. We'll also have bars for sale at the February 13 meeting. Bring cash or checks made out to Upper Arlington Band Boosters.

This is a personal fundraiser. For every item sold, the student will earn 50% towards their personal band accounts to offset band fees. If the student sells online, this will be reduced to 30%. We will kick this off on February 13. Order forms and all payment will need to be turned in by Feb. 27. We'll only accept checks and they must be made out to Upper Arlington Band Boosters. Students seem very excited about this promotion and selling these products. Delivery date will be March 31. More details will be shared during distribution of the brochures to the students on February 13 and during the band parent meeting that night. Here's preview link to the brochure:

#### Spring Flower Sale: March 21 – April 9

This is a personal fundraiser. We'll be partnering with Foertmeyer & Sons to offer premium flowers, plants and herbs. The quality rivals anything you'd find at a Strader's or Lowes. Sales will begin late March and end early April. We'll be encouraging online sales but a brochure will also be available for any door-to-door neighborhood sales. Students will make, on average, \$5 per item sold. Tentative delivery date is April 21. Expect more details after Spring Break. You can check out how beautiful these flowers are

#### Car Wash: June 1 (tentative)

This is a joint personal fundraiser and general fundraiser. Car wash tickets will be \$10. Of it, \$9 will go towards the student's account and \$1 will go to the general fund. Details will be shared in the future.
